

COPYRIGHT NOTICE

Brade Studio

This Copyright Notice applies to all original content, including but not limited to photographs, graphic designs, and text, posted on the Brade Studio Instagram profile (@bradestudio).

1. Copyright Ownership

All content published on the Brade Studio Instagram profile is the exclusive property of Brade Studio and is protected by international copyright laws and treaties. Unauthorized use, reproduction, or distribution of any content is strictly prohibited and will result in legal action.

2. Scope of Copyright

This notice covers all visual and written content, including photographs, designs, graphics, and other media created by Brade Studio and posted on our Instagram profile. This includes all posts, stories, highlights, and any other forms of media uploaded to our account.

3. Permitted Use

Content from the Brade Studio Instagram profile may not be used, copied, reproduced, distributed, or modified without the express written consent of Brade Studio. This includes both commercial and non-commercial use.

4. Requesting Permission

To request permission for the use of any content from the Brade Studio Instagram profile, please contact us via direct message on Instagram or by email at [your email address]. Permission, if granted, will be provided in writing and will outline the scope and duration of the permitted use.

5. Reporting Infringements

If you believe that any content on our profile infringes upon your copyright or the rights of others, please notify us immediately at [your email address] with a detailed description of the alleged infringement.

6. Disclaimer

Brade Studio is not responsible for any misuse of our content by third parties. We take appropriate measures to protect our content and will pursue legal action against unauthorized use.

7. Updates to this Notice

Brade Studio reserves the right to update or modify this copyright notice at any time. Changes will be posted on our Instagram profile and will be effective immediately upon posting.

8. Governing Law

This Copyright Notice is governed by and construed in accordance with the principles of international copyright law as established by the Berne Convention and the World Intellectual Property Organization (WIPO).
